ANYTOWN is a nationally recognized program that empowers youth to create respectful and just communities for all of us, not just some of us.

Imagine a one week experience, where young adults ages 15-18, escape to the outdoors to break down prejudice, develop friendships with people from around the world and learn to live and play respectfully with others from unique backgrounds and values.

Anytown is more than just a simple camp. Many people call it life changing. Why? Well because Anytown is a fun, safe, experience where teens have the chance to reflect on their beliefs, opinions and actions. Anytown strengthens the values participants already have, while also allowing them to respectfully listen and communicate with others.

WHO CAN ATTEND ANYTOWN?
Any young adult age 15-18 years old. Applicants should be physically and emotionally capable of participating in a program which challenges them to discuss their experiences and attitudes about human relations issues.

WHAT DO WE DO AT ANYTOWN?
The Inclusion Center uses engaging exercises and activities to stimulate conversation. All day, delegates participate in interesting programs that explore serious social issues. Unlike other leadership programs that can be educational, but dry, Anytown’s programs are captivating, and rely on youth educating each other based on their own experiences and opinions. With fresh air and mountains all around, participants are in a reinvigorating and fascinating environment for growth and community building.

ACTIVITIES:
- Culture Night- Share your personal heritage
- Community Night- Talents and ‘entertainment’ made by the community
- Engaging Dialogue- Intense, interesting, and gripping
- Wilderness- S’mores, hikes, and camp fires
- Leadership development- Learn to maintain your identity while guiding others to a common goal.

THE ANYTOWN STAFF
Our staff is composed of dedicated volunteers that are committed to building communities of peace. Each staff member undergoes an extensive background check and participates in intensive training before attending.

LEADERSHIP, COMMUNITY, JUSTICE, ACTION... IT'S NOT JUST A CAMP, IT'S A WAY OF LIFE!

- Programs and materials
- Accident and secondary insurance for participants
- Three catered meals daily and snacks
- Lodging, program fees, T-shirt, group photo

What is the Campsite Like? Do i need a Tent?
Camp Tuttle is nestled in Big Cottonwood Canyon, located just outside Salt Lake City. Surrounded by a deep forest, calm rivers and unlimited crisp air.
The cabins are set up bunk style, complete with mattresses and electricity. There are showers and “regular” restrooms, so don’t worry about getting too “back to nature.” Towels, soap, and shampoo are not available, so you’ll notice they’re on the list of things to bring, along with other toiletry items.

Do I get my own cabin?
Uh, no. You will be in a cabin with 7-9 other people of your gender. Respect is a big thing at Anytown, so we practice living with different people and getting to know different cultures while also honoring the need for privacy among young adults. There will be 2-3 young staff members sleeping in each cabin and one older staff member assigned to the cabin as an advisor.

What do we eat?
At Anytown, we have a chef who serves three nutritious meals daily; and no, it’s not like the “average” cafeteria food. In fact, the meals are one of the reasons our volunteers love coming back so much! Yes, our meals are scrumptious, indeed! We’ll even work with you if you have any type of dietary restrictions. Let us know if you are Vegan, Vegetarian, or observing other dietary restrictions.

Are there rules at camp?
Here are the rules you should know about before coming up to camp:
1. Alcohol, tobacco, or other illegal substances are not allowed.
2. Violence, or violent behavior is forbidden.
3. No weapons or restricted items (see above)
4. No hookups- romantic or intimate relationships are not allowed. Prior existing relationships should be handled with discretion.

Can i leave camp to go to a religious function?
No, Sorry. We realize that camp falls on some important dates for different faith groups, and we will make accommodations for you if you need time to pray, worship, or be alone.

So I can’t go home for a birthday party?
Nope, sorry again. Anytown is a lot of fun, but we are also busy doing intense activities all day. When someone leaves, they miss too much, and come back with their groove thrown off.

Do I need money?
No! Here is a list of things to NOT bring to camp:
- Valuable jewelry
- Cell phones
- mp3 players/ipods
- Food/candy
- Fragile items or instruments

What do I need to pack?
Here is a basic list to get you started:

There will be a CD player available for entertainment, as well as phones in case of an emergency or need. More importantly, The Inclusion Center cannot be held responsible for lost or stolen items.
WHAT IF I GET SICK?
We will have one assigned staff member who will collect all medications and prescriptions for safekeeping. If you are not feeling well, they will also have extra meds, toiletry items, and first aid. There are at least 2 emergency medical technicians at camp at all times, in case of an accident. If the need should arise, we will take you to Alta View Hospital at 9660 South 1300 East in Sandy. Remember, we have secondary insurance for you, even if you do not.

CAN PEOPLE COME VISIT ME?
On Wednesday, June 12th, we will be opening up camp to friends and family for Culture Night. Gates open at 7:00 pm. Visitors can get to the campsite by taking I-215 to 6200 South, and following signs for Big Cottonwood Canyon. We are just up the canyon, above Solitude Resort and beneath Brighton Resort.

DO I NEED TO PREPARE FOR CULTURE NIGHT?
You can! Talk to your family about what your cultural traditions are, any good stories, or items you can bring to show everyone would be fantastic. However, if this sounds scary or confusing, don’t worry about it. You will be in a group with people like you and together you’ll figure it out.
